*Present:*

Irma Dillon, Damon Austin, Terry Owen, Jasmin Nof, Hunter Wagner, Betty Day

### *LIBRARY SUMMIT UPDATES*

- We had great participation at the Library Summit. 70 participants attended.
- In general, facilitators provided good notes, although in some cases Hunter needed to transcribe directly from the tapes.
- Gathered extensive data, which generally confirmed what we already knew needed improvement
- The summit also provided evidence of staff quality of service.

### *DISCUSSION QUESTIONS*

- Will we craft a second library summit, this one specific to the library community?
- How could we use such an event to recognize outstanding staff service?
- How would such an event be launched, facilitated, hosted and data gathered in a meaningful and relevant method?

### *FUTURE ACTION*

- LARC members will provide their respective inputs of facilitator notes to Irma by November 20<sup>th</sup>.
- At the next meeting LARC will discuss the logistics of a library-specific library summit
