

“Web Searching and Researching

NOVEMBER 14, 2007, 2–3:30 P.M.

MCKELDIN LIBRARY, ROOM 6137

RSVP by NOVEMBER 9th, 2007 to
Annie Young at ayoung3@umd.edu

Please join the University of Maryland Libraries for a presentation by librarian Gary Price, founder and editor of ResourceShelf and DocuTicker.

Topics will range from web search to mobile access to information. This program is **free** and open to all librarians, library staff, library school students, and information professionals in the Maryland and Washington, D.C. area.

For more information:
