## Who We Are

Established in 1971, the Office of Diversity and Inclusion (ODI), formerly the Office of Human Relations Programs, is the equity compliance and diversity education arm of the Office of the President at the University of Maryland, College Park. ODI investigates complaints of discrimination and harassment under the Human Relations Code, conducts Sexual Harassment Prevention Program training, and provides proactive diversity education for students, staff, and faculty on the broad array of issues related to multiculturalism, such as our signature program: the Words of Engagement: Intergroup Dialogue Program.
