

Are you looking for a great way to provide service to the Libraries?

Do you want to explore ways to leverage our diversity to become a world-class library?

Are you interested in issues related to diversity and multiculturalism in the workplace?

The UM Libraries Diversity Team is looking for new members!

Our Mission

is to implement the University of Maryland Diversity Initiative in the libraries and on campus. The Team is dedicated to staff and patron education to increase diversity awareness and bring about positive change in the library environment. Diversity and excellence go hand-in-hand!

YOU can help us shape the Libraries' diversity-related efforts for the coming years by joining the Diversity Team, or by volunteering to help with one of our many projects and programs. To help us create a climate of appreciation for diversity that will be beneficial to all library staff and patrons, email us or visit our web site.
