

The following resources are available to you, as a **UMUC** student, at **University of Maryland, College Park (UMCP)** libraries:

Reference assistance

UMUC does not offer reference assistance in McKeldin Library. You may ask for assistance at the McKeldin Library Services Desk, however you may be referred to a UMUC librarian for more in-depth help.

You can always contact a UMUC librarian by e-mail, instant messaging, and phone during regularly-scheduled hours. Individual consultations are also available. See <http://www.umuc.edu/library/libask> for more information and service hours.

Borrowing privileges

With both a photo ID and current UMUC student ID, you may borrow books from any University System of Maryland and affiliated institutions (USMAI) library, including the UMD libraries, or request that books in the USMAI catalog be delivered to UMD or any other USMAI library for pick-up. All requests for materials that are not available through the USMAI catalog must be made through UMUC's document delivery program (<https://illiad.umuc.edu/illiad/logon.html>).

Database access

Each USMAI library subscribes to its own collection of library databases. You may use UMD's library databases at the public computers at the UMD libraries. UMD databases are not available to you remotely. For remote access to UMUC's library databases, available from any computer (including the public computers at UMD), see <http://www.umuc.edu/library>

Printing and photocopying

To use UMD photocopiers or computer printers, you must purchase a visitors' copy card from a Copy Card dispenser (located in all UMD libraries). Cards cost \$1. Photocopies are 10¢ a sheet for black-and-white prints and 50¢ a sheet for color prints. Computer printing is 10¢ a sheet for black-and-white printouts and 50¢ a sheet for color printouts. Money may be added to the cards at the Copy Card dispensers. For more information on UMD printing and photocopying fees, see www.lib.umd.edu/services/copying-and-printing/home

Late night study

The Late Night Study Card Service has been discontinued as of September 2014.

UMUC students may stay at McKeldin Library at the University of Maryland College Park after hours provided that they are in the building before 11pm. After 11pm students will not be able to leave and re-enter the building. Please have your UMUC ID card and driver's license or state-issued ID card ready to present to McKeldin Library staff on request.

Computer access

UMUC students may use the public computers found in the reference area or those located throughout UMD Libraries. UMUC students, faculty and staff will need to register for a guest account to use the public computers. Present a photo ID at a UMD Libraries circulation desk to register for an account with an expiration of 7 days.

You will find PCs with word-processing, database, spreadsheet, and other software applications available for your use at all UMUC computer labs and in the UMUC library at Largo.

Wireless access

Wireless access is available to UMUC students in the UMD libraries through the Eduroam network. For instructions on how to connect to Eduroam, visit <http://www.umuc.edu/itsupport/eduroam>

There are also wireless hotspots in the UMUC Academic Center at Largo and in the College Park Marriott Hotel & Conference Center at University of Maryland University College in Adelphi

UMUC Library

Access UMUC's fully online library 24/7 at:
<http://www.umuc.edu/library>

Phone
