In honor of Veteran's Day, former American Studies Professor Dr. Hugo Keesing will discuss the 13-CD boxed set he curated, *Next Stop Is Vietnam: The War on Record, 1961-2008*. Bob Dylan, Joan Baez, Merle Haggard, Johnny Cash, Pete Seeger, Bruce Springsteen, John Lennon, and dozens of other artists are the tour guides through this epoch of modern history. Dr. Keesing contributed notes on the songs and the artists who recorded them for the 304-page book that accompanies the set.

This event is free and open to the public. Light refreshments will be served. For more information, please visit www.lib.umd.edu/MCK/booktalks.html
